

# The WK60 dumper scale DW-3

1 Weighing electronics

2 Measuring element DW-3

## The right weighing solution for any dumper

With the scales for articulated dumpers, PFREUNDT offers you the perfect weighing solution for almost all types - manufacturer-independent. During loading, the weight is determined by measuring elements on the rear axles for fast and efficient workflows.

### Overview of functions

- Precise weighing results even under extreme conditions during loading
- Simple and intuitive operation through touch display
- Comprehensive and customizable master and weighing data management
- Exact activity recording
- Optimum capacity utilisation
- Registration of overloads

### Scope of delivery

- WK60 electronics
- 4 measuring element DW-3 with weighing cell
- 1 analog/digital-changer in connection box
- 1 antenna

### Accessories

- Printer
- Weighing tickets and weighing ticket box

## Start your digital future with PFREUNDT!

We create the connections and interfaces you need, e.g. via GPS, mobile radio, WLAN and Bluetooth.
